

REMININD

The Francis Howell High School **A+ Office** uses **Remind** as its preferred method of communication to communicate with our students and parents. **Remind** is a fast, easy and safe messaging system. We send out various announcements & reminders which you receive directly on the device of your choice, instantly. Pick your preference, text or email. We never see your phone number and you never see ours. Standard text messaging rates do apply.

We encourage all A+ students and parents to take a minute to sign up according to your graduating year. You will then receive messages and announcements pertaining to your particular grade level:
