# Duck Tape® School Supply Case

Ducktivity provided by Duck® Brand

Looking for something simple and inexpensive to put your new school supplies in? Just grab a sandwich bag and your favorite Duck Tape® print or color and you're on your way to making your own Duck Tape® school supply case that you can take wherever you go!

**Skill Level:** Intermediate

**Approximate Crafting Time:** 1:0

**Supplies and Tools:**
Duck Tape®
1 qt. sandwich bag with zip closure
Scissors
Craft knife
Pen
Ruler
Crafting board

# Directions

## Step 1

Cut the zipper part off your sandwich bag. Leave about ½ inch of bag attached to the zipper part. Do not throw away the rest of the bag.

## Step 2

Make 2 pieces of Duck Tape® fabric that measure as wide as your bag and 4 in. tall.

## Step 3

Using a strip of Duck Tape®, adhere the piece of Duck Tape® fabric you made in step 2 to the zipper from step 1. Repeat for the other side with your second piece of Duck Tape® fabric.
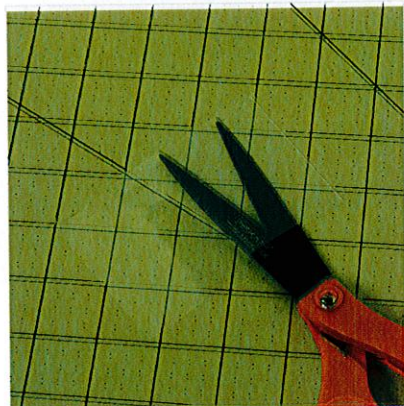

## Step 4

Fold a single piece of Duck Tape® over each of the open edges of the supply case to close them up. Trim

any excess tape.

## Step 5

For the I.D. holder cut a rectangle out of the remaining plastic bag that measures 2.5 in. tall by 4 in. wide.
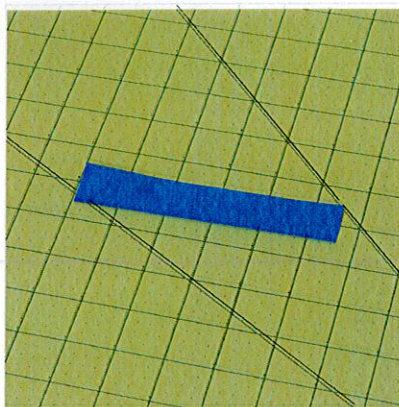

## Step 6

Cut a piece of Duck Tape® that measures 1 in. tall and 4 in. wide and fold it over the top of the plastic rectangle from step 5. Use 3 more pieces on the sides and bottom to attach it to your case, keeping the top open.

## Step 7

If desired, adhere 3 more strips of a different color Duck Tape®, leaving a littly of the previous color Duck Tape® showing. Trim any excess.

## Step 8

Create a tab to add to your supply case by cutting off a 5 in. long piece of Duck Tape®and folding it over on to itself lengthwise.

## Step 9

Cut a 1 in. slit in the side of your supply case with a craft knife and insert the tab. Use a small piece of tape on the inside to hold the tab in place.

cool

**spidermoon** about 5 days ago

This idea saved me from wasting money on expensive zippers at craft stores. So smart!
