

# A+ Scholarship Program Updates

A+ tutoring placements/registration for the A+ Program is closed for the Fall 2021 Semester.

Students who want to register to complete A+ Tutoring hours should plan to sign-up in November. The November registration will be for students who want to complete their A+ Hours in the Spring 2022 semester.

The November registration is for Sophomores, Juniors and Seniors. Students can register for A+ starting semester two of Sophomore year.

**\*\*Seniors-** the November registration will be your final opportunity to earn A+ Hours.

We are currently placing students as A+ Tutors in classrooms. This will be a class in their schedule and not outside of the school day.

Please make sure you are signed-up for **FHHS ENEWS** as that is where the November registration information will be posted.
